FOR GOD AND COUNTRY

THE BIGINNING:

Under the direction of Mary Waitches a group of twenty-three women met to formulate the American Legion Auxiliary of the Darius-Girenas Post. The Charter was granted to the Auxiliary on Pebruary 13, 1934. At that time the women met at the Hollywood Inn for regular meetings since the present Post Headquaters was not yet in existence.

Our First President Mary Waitches was elected in 1934. The Unit began to put forth their unselfish esteem to support the veterans and children. Members can be proud of these women for it was with their effort that our Unit now celebrates their Fiftieth Anniversary.
